

## COLLEAGUES FOR LIBRARY EXCELLENCE AWARD

**September 15, 2009**

Dear Educator:

This year the GKCASL would like to present the **Colleagues for Library Excellence Award**. The purpose of this award is to recognize a colleague who has rendered outstanding service or made significant contributions to GKCASL or school library media centers in the greater Kansas City, Missouri area. This award helps provide visibility and public awareness of the contributions made to libraries as a part of the total educational process and, therefore, is important to all school librarians.

The nominee must be a person who works directly within the GKCASL membership area. Individuals to be considered for nominations may include, but are not limited to: teachers, building and district administrators, district level library coordinators/directors, or clerical personnel working directly in the school environment.

For each nomination, a complete form is to be returned to the one of the Awards Selection Committee members named below. **Two letters** of support for the nomination need to be sent as well as the **nomination form**.

Nominations must be postmarked or sent electronically no later than February 12, 2010. The nominator must be a member of GKCASL. Once the nominations have been received, the committee will review the nominations and select the winner for this award. The Awards Selection Committee Co-Chair will notify the winner immediately. An engraved plaque will be formally presented to the recipient at the 2010 GKCASL Spring Banquet.

**Sincerely,**
